About This Game

Extreme School Driving Simulator is a tongue-in-cheek racer for beginners. If you thought this auto school will be easy, think again!

The infrastructure will be challenging to say the least.

This game has the role to simulate real situations and have as aims to prepare future drivers not only in a virtual world but also for **the real world!**

Key features :

- Unique gameplay featuring 20 levels
- Three camera modes.
- Simulation of real time situations

To Lands Unknown
By: Infemo8 Version: 3.0.0 final

Hear the story of Mehîr, a young city guard from al-Kamiya - an isolated city in the middle of the Great Desert, where people and jirns live together. Reveal Mehîr's destiny, visit many exotic places during his journey, encounter strange nations and learn about their intentions.

This is the most visually sophisticated add-on ever created for the Battle for Wesnoth. It has the following features:

- multihex terrain visuals (images covering entire maps to simulate height for example)
- animated cutscenes (video clips)
- more than 200 unique animated units (all from the Era of Magic add-on)
- a completely different universe, not BW related
- funny moments and turning points.

(22 scenarios, 4 of which are dialog-only - Requires 'Era of Magic' add-on)

NOTE: this version is for testing purposes and may not be fully compatible with 1.13-1.14. If you encounter any bugs, please notify the campaign author, so the patch can be delivered.

If you have problems with downloading this add-on, try using add-on server web interface: <http://addons.wesnoth.org>

Type: Campaign

Status: Not installed
